This class is given by Marie Menut, RN, a Multidimensional Healer, who has had training and experience in hands-on healing, Therapeutic Touch, Healing Touch, Energetic Healing and is a Reiki Master. She is also a Chaplain and Grief Counselor. The vibrations of these bowls reach your body's cells, stimulating them to vibrate at their optimum rate, thereby helping them to relax and to heal. You will be more balanced. Meditation with these bowls is deeper.

Level 1: History of bowls. How to: choose your bowl: sound it: and what to listen for as you work on each other. We will use one bowl.

Level 2: You will use three bowls and expand on your understanding of the healing properties of the bowls as well as Tingshas.
